REG GG Account Notification

The Unlawful Internet Gambling Enforcement Act (UIGEA) of 2006 was signed into law and prohibits any person engaged in the business of betting or wagering (as defined in the Act) from knowingly accepting payments in connection with the participation of another person in unlawful internet gambling. The Department of Treasury and the Federal Reserve Board have issued a joint final rule, Regulation GG, to implement this Act.

As defined in Regulation GG, unlawful Internet gambling means to "place, receive or otherwise knowingly transmit a bet or wager by any means which involves the use, at least in part, of the internet where such bet or wager is unlawful under any applicable Federal or State law in the State or Tribal lands in which the bet or wager is initiated, received or otherwise made".

As a commercial account holder of OMEGA Federal Credit Union, we are required to notify you that these restricted transactions are prohibited from being processed through your account or banking relationship with us. If you do engage in an Internet gambling business and open a new account with us, we will ask that you provide evidence of your legal capacity to do so.

Please contact 412-369-3800 if you would like additional information on UIGEA or Regulation GG.
